Willow-o-Wisp

*The students of life come and go
While the willow sings a song and
Stands so strong*

*Being a traveler does not make you a gypsy, but if so it will not
shatter*

*We are the old guard, we know what you want
Something of culture, something close to a hunt*

*Having seen all walks of life we are not here to judge
So where will you hang if your cellphone never rang?*
